

Enrollment Information Acknowledgment

HARVARD UNIVERSITY - ONBOARDING PACKET

This acknowledgment records that you reviewed the information supplied during onboarding. It does not replace an admission offer decision, a housing contract, a financial-aid agreement, or a payment authorization.

Information reviewed

Identity and contact details; permanent address; housing and roommate preferences; campus-life interests; emergency contacts; and any optional family permissions selected in the portal.

Accuracy and updates

I confirm that the information is accurate to the best of my knowledge. I understand that I can update eligible profile fields and contact the responsible university office when an official record requires correction.

Electronic signature consent

I agree to use an electronic signature for this onboarding packet. I understand that the portal records the document version, signature method, date, and audit receipt associated with this confirmation.

Student signature Your signature will be placed in this box after confirmation.	Date signed Applied by the portal
